

FOR IMMEDIATE RELEASE

Seven D Industries, LP plans to introduce a deluxe replacement window March 1, 2008.

Feb 6, 2008, A new deluxe replacement window line, The Designer 6000 Series, will be available through Seven D Industries March 1, 2008. Designer 6000 windows will offer homeowners greater flexibility when selecting vinyl window options for their replacement projects.

“Customer research indicates that the greatest interests among homeowners updating their homes is for additional replacement window options and for energy conservation/savings. Designer 6000 windows address these needs.” says Kevin Latchford, Vice President at Seven D Industries, LP. The Designer 6000 Series was developed to be a custom designed window that exceeds each homeowners individual expectations. The unique, innovative design has the potential to accommodate most all optional requests.

Available in double hung, picture and slider window styles as well as architectural shapes, this all welded window includes many of the hard working, reliable features already offered in our existing premium 4000 Series. In addition, it's positioned as a deluxe window due to the extensive array of options and accessories. Just to name a few: heavy vinyl walls in sash & frame, 1 inch IG, triple pane IG with SuperSpacer, triple weatherpile at all locations, blinds between the glass, simulated divided lites (SDL) and many others!
