

NEW CONSTRUCTION

SERIES 2000

Premium All Welded Casement Window

Frame & Sash

- Virtually maintenance free easy clean vinyl finish.
- All-welded frame and sash for increased structural integrity.
- 2 7/8" frame with full perimeter pre-punched nailing fin.
- Internally glazed units for added security and easy replacement.
- Beveled sash exterior provides aesthetically pleasing appearance.
- Sash pivots toward the center of the frame to a 90° angle, providing an approximate 3 1/4" opening for easy cleaning from inside the home.
- Multi-chambered extruded vinyl construction, enhancing the strength of the of the window and creating a thermal break for insulation.
- Optional wood extension jambs extend window jamb to interior wall for easy finishing. Jambs available in 4 9/16" and 6 9/16" jambs, either clear pine or primed white MDF.
- Full perimeter bulb seal on sash and frame.

Hardware

- Multi-point locking system pulls the sash tight against the weatherstripping for a weather-tight seal.
- All hardware features special coating that resists excessive weathering, assuring long lasting functionality.

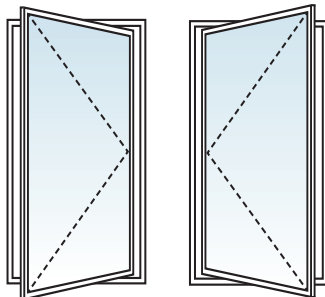

Glass

- 3/4" Insulated glass units using warm edge Intercept® Spacer.
- Glass options include: Low-E/Argon Gas filled glass units providing superior year-round comfort and savings, tempered, obscure or tinted glass, along with a variety of grid designs.

Screen

- All operable units include a color coordinated removable aluminum extruded screen that has a tight fit to allow ventilation while keeping debris out. Easy inside home removal.
