

SLIDING PATIO DOORS

SERIES 6500

Premium Knock Down Sliding Patio Door with a DP-50 Rating

This product achieved a Design Pressure (DP) Rating of 50 or greater, which means category B hurricane standards for maximum protection against storms in most coastal areas of the country. The higher the DP rating, the better a patio door is able to handle storm conditions.

Frame & Sash Panels

- 5/8" Frame with field removeable three sided nailing fin.
- Steel reinforced sash & meeting rails.
- Mechanical frame and aluminum thermally broken sloped sill.
- Virtually maintenance free easy clean vinyl finish.
- Dual fin weatherstripping throughout full length interlock combined with all-welded sash creates a strong weathertight unit.

Glass

- 1" Double strength tempered insulated glass units.
- Warm edge insulated glass using Intercept Spacer® system.
- Energy Star® qualified in all US States & Territories when specified Low-E/Argon gas filled glass units.
- Optional tinted glass.
